Total cash balance	2874.34

#### **Membership:**

Active members: 66  
Family memberships: 4  
Lifetime members: 3  
Resignations: none

#### **New Business**

- Kelly Merryfield has announced that she will not seek the Presidency of the club next year. Ray Philippon has expressed his desire to resume the leadership of the club. Any other

interested members should let us (any executive committee member) know of your interest, in this position, or any other Executive Committee role, as we will be voting in next year's directors in December.

- As forecast, the fall pond stocking was 200 fish this year. On Wednesday 10/27 a combination of brown, brook, and rainbow trout were stocked. We will therefore open the fishing for them at 9 AM Saturday, October 30.
- The membership again expressed broad support and desire to hold and attend a night session to go over technical issues with pond camera access with either Ray Menard or representative from the camera company. It was agreed this might be best held on site, at the church. The dates discussed for this session has been pushed out to February or March.

Our business portion of the meeting concluded, the diners enjoyed their meals, and topped it off with Brenda Philippon's excellent cookies. **We need a different dessert supplier next month, as Brenda has done this too many times for us to impose upon her further. Volunteers?** These do not have to be home made.

The night's speaker, Joe Goodspeed, gave a presentation on fishing for muskie and pike. He gave us the benefit of over a decade of experience targeting these fish, including the locations, flies, and tackle necessary to land them.

The meeting adjourned, as usual, at around 9:30 PM.

Respectfully submitted,  
Dave Braica,  
NFC Club Secretary
